Georgia Promise Scholarship: Eligible Expenses (2025/26)

- List reflects eligible expenses as of: ***5/08/2025***

- This list is meant to be informative for families as to the program's eligible expense categories. However, **use of program funds will be limited to the specific approved product/service offerings that will be available on the program marketplace** *for participating families once funding is awarded in July.* **Reimbursements will not be made under any circumstances** *, except for eligible transportation expenses (more info to come soon).*

- Families may find the list of participating private schools and approved service providers who are eligible to receive program funds at mygeorgiapromise.org/. If families do not see a private school or service provider of interest on the list, they may encourage them to explore program eligibility requirements and apply in an upcoming application window.
