

TESTING 101

This document covers the testing requirements for the Georgia Promise Scholarship Program. Families and schools must provide proof that they have met the program's testing requirements. Required documentation includes **test date, test type, student test scores, and a PDF/image of the official test results**. Schools and parents will receive a link and detailed instructions for submitting test scores at the end of the Spring semester. Testing documentation must be submitted by **June 30, 2026**.

INFORMATION FOR PARTICIPATING PRIVATE SCHOOLS

Participating schools must annually administer to participating students either:

- A nationally norm-referenced test approved by GESA, [or](#)
- A state-wide assessment.

Schools must report **test name, student test scores (raw score and percentile score), and grade levels for participating students**. Schools will receive a link and detailed instructions for submitting test scores at the end of the Spring semester. Schools will need to follow the provided instructions to successfully submit their student's test scores.

INFORMATION FOR HOME STUDY AND NON-PARTICIPATING PRIVATE SCHOOLS

Students not enrolled in a participating school must annually take a GESA-approved nationally norm-referenced test [or](#) a state-wide assessment.

Some of the GESA-approved tests are available in the Marketplace; refer to the 'Approved Tests' section for details. Parents must report **the raw score and percentile score**. Families will receive a link and detailed instructions for submitting test scores at the end of the Spring semester. Parents will need to follow the provided instructions to successfully submit their student's test scores.

State-wide assessments may be requested from the student's resident school district. Students must report **test date, test name, student test scores, and a PDF/image of the official test results**.
