

TESTING 101

This document covers the testing requirements for the Georgia Promise Scholarship Program. Families and schools must provide proof that they have met the program's testing requirements. Required documentation includes **test date, test type, student test scores, and a PDF/image of the official test results**. Testing documentation must be submitted by **June 30, 2026**.

INFORMATION FOR PARTICIPATING PRIVATE SCHOOLS

Participating schools must annually administer to participating students either:

- A nationally norm-referenced test approved by GESA, or
- A state-wide assessment.

Schools must report **test name, student test scores, and grade levels for participating students**. This information will be uploaded through a link provided by Odyssey.

INFORMATION FOR HOME STUDY AND NON-PARTICIPATING PRIVATE SCHOOLS

Students not enrolled in a participating school must annually take a GESA-approved nationally norm-referenced test or a state-wide assessment.

GESA-approved norm-referenced tests are available on the Marketplace (see section titled "Approved Tests"). Students who choose to complete a nationally norm-referenced test approved by GESA must report **all raw testing data and percentile scores**.

State-wide assessments may be requested from the student's resident school district. Students must report **test date, test name, student test scores, and a PDF/image of the official test results**.
